**OVER 50 GUESTS ATTEND FORT À LA CORNE SITE VISIT
HOSTED BY KENSINGTON RESOURCES LTD.**

Fort à la Corne, Saskatchewan -- Monday, October 4, 2004 – A detailed update and outline of the 2004/2005 exploration mini-bulk sampling program for the Fort à la Corne (FALC) diamond project was presented to over 50 guests on a visit to the project site this week. The joint venture (JV) hosted guests from government, the financial sector, local Aboriginal groups and the media.

The JV partners welcomed the Honourable Eric Cline, Minister of Industry and Resources, the Honourable Maynard Sonntag, Minister of Aboriginal Affairs, Deputy Minister Larry Spannier, and local members of municipal and provincial governments. The site tour included a formal presentation by Robert McCallum, President and CEO of Kensington Resources Ltd. and Richard Molyneux, President and CEO, De Beers Canada, as well as a technical update on the project by the De Beers project manager, Andrew Williams.

“We at Kensington Resources Ltd. are on a mission to bring awareness and attention to the fact that there are diamonds in Saskatchewan – not just a few, but a tremendous diamond potential,” said Robert A. McCallum. Mr. McCallum’s speech also emphasized the solid working relationship that exists between the Joint Venture partners. “We recognize that De Beers Canada, with their 100 years of experience, vast resources, state of the art facilities and skilled and experienced people are the Partner of Choice for a Canadian junior. We feel fortunate to have them as project operators for this promising, immense and complex project.”

In his presentation, Richard Molyneux, provided a global context for the diamond project in Saskatchewan, emphasizing De Beers Canada’s focus on moving projects such as FALC, through to evaluation as quickly as possible in order to meet growing demand for diamonds. “The economic growth in China, and recovery in Japan, the continued strong demand for diamonds in the US and the success of De Beers’ new marketing strategy, have all contributed to a supply demand gap,” he said.

Mr. Molyneux emphasized the need for a realistic understanding of the technical challenges and the time required to develop a mine. “The restructured Joint Venture management team are looking at new approaches and seeking innovative technologies which may accelerate this timeline,” he said.

“The Joint Venture has invested over \$30 million in this project and we have now reached a point where we are intent on reaching a final evaluation and on making a decision,” said Richard Molyneux. “De Beers is examining its global exploration projects and will be identifying the most promising for fast tracking. We hope to have sufficient information at the end of this work project to present a strong case for Fort à la Corne to be one of the selected projects.”

The current work project is planned for completion by March 31, 2005.

Using the expertise of proven management and world-class, experienced technical advisors, Kensington Resources Ltd. is actively involved in confirming the economic potential of this diamond project and moving the project forward to a development decision as rapidly as possible. The Fort à la Corne Diamond Project is a joint venture among Kensington Resources Ltd. (42.25%), De Beers Canada Exploration Inc., a wholly owned subsidiary of De Beers (42.25%), Cameco Corporation (5.5%) and UEM Inc. (carried 10%). The 71+ kimberlite bodies of the Fort à la Corne Field form one of the largest diamondiferous clusters in the world.

KENSINGTON RESOURCES LTD. ADOPTS SHAREHOLDER RIGHTS PLAN

Victoria, B.C., Thursday, October 7, 2004 – Kensington Resources Ltd. (the “Company”) announced the adoption by its Board of Directors, subject to regulatory acceptance, of a Shareholder Rights Plan to protect the Company’s shareholders from unfair, abusive or coercive take-over strategies, including the acquisition of control of the Company through a take-over bid that may not treat all shareholders equally or fairly. In making the announcement, the Company said it is not aware of any specific take-over bid for the Company that has been made or is contemplated. The terms of the Plan are identical to the Company’s previous shareholder rights plan which expired on June 29, 2004.

To implement the Plan, the Board of Directors of the Company authorized the issue of one Right in respect of each common share of the Company outstanding to holders of record on the date that the Company’s transfer agent, Computershare Trust Company of Canada, executes the agreement implementing the Plan. Initially, the Rights will attach to and trade with the common shares and be represented by certificates representing common shares.

On the occurrence of certain triggering events, including the acquisition by a person or group of persons of 20% or more of the votes attached to all outstanding voting shares of the Company in a transaction not approved by the Board of Directors, the Rights separate from the common shares and will entitle holders (other than the acquiring person or group persons) to acquire shares of the Company at a 50% discount to the prevailing market price of the shares. The Rights are not triggered by purchases of voting shares made pursuant to a “Permitted Bid” made to all holders of common shares on identical terms. A Permitted Bid must be made by way of a take-over bid circular prepared in compliance with applicable securities laws and must comply with certain other conditions set out in the agreement signed to implement the Plan.

Although the Rights Plan is effective upon its adoption, the Company intends to submit the Plan to the shareholders of the Company for confirmation within six months from the date of adoption of the Plan.

Using the expertise of proven management and world-class, experienced technical advisors, Kensington Resources Ltd. is actively involved in confirming the economic potential of this diamond project and moving the project forward to a development decision as rapidly as possible. MICRODIAMOND RESULTS FOR FALC 150 CORE

Victoria, B.C., Friday, October 15, 2004 – Kensington Resources Ltd. (the “Company”) announces that it has received from the operator, De Beers Canada Exploration Inc., microdiamond results from the Kimberley Microdiamond Lab (KMDL) for Kimberlite Body 150 of the Fort à la Corne Diamond Project in east-central Saskatchewan.

Kimberlite 150 was selected for delineation drilling and microdiamond sampling in Fall 2003 due to favourable historical diamond recoveries and its size. The new results were combined with historical data from the 150 body in order to make grade forecasts based on stone size distributions. Both the new data and the grade forecasts by Mineral Resource Management (MRM) of De Beers do not support further drilling and sampling work on this kimberlite but efforts on the other prospective bodies will continue under the current, accelerated program. The 2004 - 2005 evaluation and exploration program, budgeted at \$7.62 million, represents the largest and most aggressive program to date at Fort à la Corne.

“While the diamond recoveries from Kimberlite 150 were lower than expected, the Joint Venture partners remain committed in their current strategy of focusing on enriched zones in a number of other proximally-located priority kimberlites bodies including 140/141, 148 and 122,” stated Robert McCallum, President and CEO of Kensington. “Past results from these bodies have been very encouraging and in the upcoming meetings of the Joint Venture Management Committee, we will be examining ways to accelerate a development decision on the Fort à la Corne Project.”

Representative slabbed core samples were collected from 12 HQ coreholes widely spaced across the 150 body. A total of 392 microdiamonds were recovered from 51 samples utilizing caustic dissolution methods on 422 kilograms of core submitted to the Saskatchewan Research Council (SRC). The SRC recovered and reported diamonds down to a lower cutoff of 0.075 millimetres in size; diamonds passing through a 0.075 mm screen were not included in the stone tallies. The SRC reported 98.6% recovery of internal tracers during diamond recovery and stone picking was routinely audited by a supervisor.

Recovered diamonds and selected caustic residues were sent to the De Beers’ Kimberley Microdiamond Laboratory (KMDL) for further auditing and verification of individual stone size, shape, and sieve category using proprietary techniques. KMDL reported 238 stones with dimensions equivalent to a +74 micron sieve cut-off and having a combined weight of 0.248 carats including one macrodiamond weighing 0.226 carats recovered in the 2 mm sieve category. The average diamond grade for all samples was 5.7 stones per 10 kg utilizing only stones greater than 74 microns.

Due to geological complexity in the 150 kimberlite body, the results from the 2003 drillholes were divided into three groups corresponding to the three areal lobes of the kimberlite outline (Table One). Diamond results by kimberlite type and sieve category are shown in Table Two.

Table One: 150 Microdiamond Results by Kimberlite Type

150 Kimberlite Area	Sample Mass (kg)	Total Stones	Total Carat Weight (octacarats)	Stones > 74 microns	Microdiamond Abundance > 74 microns (stones/10 kg)	Stones larger than 0.5 mm
North Lobe	82.7	80	394,500	47	5.7	
West Lobe	239.5	258	24,332,850	161	6.7	1; 0.226 cts.
South Lobe	99.5	54	183,400	31	3.1	
Total	421.7	392	24,910,750	239	Average of 5.7	

One octacarats is equivalent to 1×10^{-8} carats

Table Two: KMDL 150 Microdiamond Results (>74 microns) by Sieve Category and Kimberlite Type

Kimberlite Type	+0.074mm Sieve	+0.106mm Sieve	+0.150mm Sieve	+0.212mm Sieve	+0.300mm Sieve	+0.425mm Sieve	+0.600 to +0.850 mm Sieves	+2 mm Sieve
North Lobe	22	18	3	4	0	0	0	0
West Lobe	78	49	25	6	2	0	0	1
South Lobe	18	9	3	1	0	0	0	0
Total	118	76	31	11	2	0	0	1

In terms of stone size fractions, approximately 49.4% of the stones were recovered on the 0.074 mm sieve and 94.1% of the stones were retained in sieves less than 0.212 mm (Table 2). However, 91% of the total carat weight of diamond from these samples was recovered in a single stone from the west lobe. Viewed in isolation, microdiamond stone counts can be misleading and the estimation of macrodiamond grade from microdiamond results will require an interpretation of the diamond grade-size plots.

The 2003 microdiamond dataset was made available for modeling grade estimates by MRM. From the combined dataset of historical and new results, 352 microdiamonds from the west lobe were available for modeling, of which 46 were re-categorized as less than 74 microns in size, and therefore not used. Due to the prevalence of stones in only four size classes, historical macrodiamond data for 56 stones was utilized to stabilize the grade-size curve. The grade forecast for this lobe is 3 cpht and encompasses an estimated mass of 68 million tonnes of kimberlite based on integration of drillhole information and geophysical data. Currently, confidence limits for the modeled data are not available.

Modeling of the south lobe of the body utilized 129 microdiamonds (23 unused stones were categorized as less than 74 microns in size) grouped into four size categories. Only 15 macrodiamonds were recovered from this lobe in the past and this number of stones was insufficient to include in the modeling. The south lobe was assigned a forecast grade of 3 cpht encompassing a mass of 50.5 million tonnes based on integration of drillhole information and geophysical data. The north lobe was not modeled due to the availability of only 67 microdiamonds and no historical macrodiamonds. The estimated mass for this lobe is 32.1 tonnes.

The reader is cautioned that the grade estimates are conceptual in nature. The grade of kimberlite above a 1.5 mm bottom cutoff is estimated from a combination of micro- and macrodiamond data. Confidence levels for these figures are low and additional testing of macrodiamond content may be required to increase confidence levels in the grade forecasts. The reader also should be aware that insufficient geological control and quantity of sampling has been obtained to permit rigorous application of economic considerations and that there is no certainty that these preliminary assessments will be realized. In short, the figures presented herein are utilized as an exploration tool and their primary value is for comparison of diamondiferous kimberlite targets within the focus of the ongoing evaluation program.

The large gravity anomaly located east of the known 150 body was targeted with an HQ corehole during the last week of September, 2004. No substantial kimberlite interval was intersected, although a three metre thick kimberlitic ash bed was encountered within mudstone of the Lower Colorado Group at a depth of 142.6 metres. The corehole was terminated at a depth of 195 metres. The source of the gravity anomaly remains unknown.

Brent C. Jellicoe, P.Geo. is the Qualified Person for the Company and has reviewed the technical information herein. All aspects of quality assurance, quality control, and sample chain of custody for the Fort a la Corne Joint Venture are managed by De Beers Canada Exploration Inc., the project operator.

- (e) Upon receipt of a Rights Certificate, together with a completed Election to Exercise executed in accordance with Clause 2.2(d)(ii), which does not indicate that such Right is null and void as provided by Subsection 3.1(b), and payment as set forth in Clause 2.2(d)(iii), the Rights Agent (unless otherwise instructed by the Company in the event that the Company is of the opinion that the Rights cannot be exercised in accordance with this Agreement) will thereupon promptly:
 - (i) requisition from the transfer agent certificates representing the number of such Common Shares to be purchased (the Company hereby irrevocably authorizing its transfer agent to comply with all such requisitions);
 - (ii) when appropriate, requisition from the Company the amount of cash to be paid in lieu of issuing fractional Common Shares;
 - (iii) after receipt of the certificates referred to in Clause 2.2(e)(i), deliver the same to or to the order of the registered holder of such Rights Certificates, registered in such name or names as may be designated by such holder;
 - (iv) when appropriate, after receipt, deliver the cash referred to in Clause 2.2(e)(ii) to or to the order of the registered holder of such Rights Certificate; and
 - (v) tender to the Company all payments received on the exercise of the Rights.
- (f) In case the holder of any Rights shall exercise less than all the Rights evidenced by such holder’s Rights Certificate, a new Rights Certificate evidencing the Rights remaining unexercised (subject to the provisions of Subsection 5.5(a)) will be issued by the Rights Agent to such holder or to such holder’s duly authorized assigns.
- (g) The Company covenants and agrees that it will:
 - (i) take all such action as may be necessary and within its power to ensure that all Common Shares delivered upon exercise of Rights shall, at the time of delivery of the certificates for such Common Shares (subject to payment of the Exercise Price), be duly and validly authorized, executed, issued and delivered and fully paid and non-assessable;

- (ii) take all such action as may be necessary and within its power to comply with the requirements of the Corporation Act and the Securities Act, and the applicable securities laws or comparable legislation of each of the provinces and territories of Canada, the U.S. Securities Act, the U.S. Exchange Act and any other applicable law, rule or regulation, in connection with the issuance and delivery of the Rights Certificates and the issuance of any Common Shares upon exercise of Rights;
- (iii) use reasonable efforts to cause all Common Shares issued upon exercise of Rights to be listed on the principal stock exchanges on which such Common Shares were traded immediately prior to the Stock Acquisition Date;
- (iv) cause to be reserved and kept available out of the authorized and unissued Common Shares, the number of Common Shares that, as provided in this Agreement, will from time to time be sufficient to permit the exercise in full of all outstanding Rights;
- (v) pay when due and payable, if applicable, any and all federal, provincial and municipal transfer taxes and charges (not including any income or capital taxes of the holder or exercising holder or any liability of the Company to withhold tax) which may be payable in respect of the original issuance or delivery of the Rights Certificates, or certificates for Common Shares to be issued upon exercise of any Rights, provided that the Company shall not be required to pay any transfer tax or charge which may be payable in respect of any transfer involved in the transfer or delivery of Rights Certificates or the issuance or delivery of certificates for Common Shares in a name other than that of the holder of the Rights being transferred or exercised; and
- (vi) after the Separation Time, except as permitted by Section 5.1, not take (or permit any Subsidiary to take) any action if at the time such action is taken it is reasonably foreseeable that such action will diminish substantially or otherwise eliminate the benefits intended to be afforded by the Rights.

2.3 Adjustments to Exercise Price; Number of Rights

The Exercise Price, the number and kind of securities subject to purchase upon exercise of each Right and the number of Rights outstanding are subject to adjustment from time to time as provided in this Section 2.3.

- (a) In the event the Company shall at any time after the Record Time and prior to the Expiration Time:
 - (i) declare or pay a dividend on Common Shares payable in Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares or other securities of the Company) other than pursuant to any optional stock dividend program;
 - (ii) subdivide or change all of the then outstanding Common Shares into a greater number of Common Shares;

- (iii) consolidate or change all of the then outstanding Common Shares into a smaller number of Common Shares; or
- (iv) issue any Common Shares (or other securities exchangeable for or convertible into or giving a right to acquire Common Shares or other securities of the Company) in respect of, in lieu of or in exchange for all of the existing outstanding Common Shares except as otherwise provided in this Section 2.3,

the Exercise Price and the number of Rights outstanding, or, if the payment or effective date therefor shall occur after the Separation Time, the securities purchasable upon exercise of Rights shall be adjusted as of the payment or effective date in the manner set forth below.

If an event occurs which would require an adjustment under both this Section 2.3 and Subsection 3.1(a), the adjustment provided for in this Section 2.3 shall be in addition to, and shall be made prior to, any adjustment required under Subsection 3.1(a).

If the Exercise Price and number of Rights outstanding are to be adjusted:

- (i) the Exercise Price in effect after such adjustment will be equal to the Exercise Price in effect immediately prior to such adjustment divided by the number of Common Shares (or other capital stock) (the “Expansion Factor”) that a holder of one Common Share immediately prior to such dividend, subdivision, change, consolidation or issuance would hold thereafter as a result thereof; and
- (ii) each Right held prior to such adjustment will become that number of Rights equal to the Expansion Factor,

and the adjusted number of Rights will be deemed to be distributed among the Common Shares with respect to which the original Rights were associated (if they remain outstanding) and the shares issued in respect of such dividend, subdivision, change, consolidation or issuance, so that each such Common Share (or other capital stock) will have exactly one Right associated with it.

For greater certainty, if the securities purchasable upon exercise of Rights are to be adjusted, the securities purchasable upon exercise of each Right after such adjustment will be the securities that a holder of the securities purchasable upon exercise of one Right immediately prior to such dividend, subdivision, change, consolidation or issuance would hold thereafter as a result of such dividend, subdivision, change, consolidation or issuance.

If, after the Record Time and prior to the Expiration Time, the Company shall issue any shares in its capital other than Common Shares in a transaction of a type described in Clause 2.3(a)(i) or (iv), such shares shall be treated herein as nearly equivalent to Common Shares as may be practicable and appropriate under the circumstances and the Company and the Rights Agent agree to amend this Agreement in order to effect such treatment.

If the Company at any time after the Record Time and prior to the Separation Time issues any Common Shares otherwise than in a transaction referred to in this Subsection 2.3(a), each such Common Share so issued shall automatically have one new Right associated

with it, which Right shall be represented and evidenced by the certificate representing such associated Common Share.

- (b) If the Company at any time after the Record Time and prior to the Separation Time fixes a record date for the issuance of rights, options or warrants to all holders of Common Shares entitling them (for a period expiring within 45 calendar days after such record date) to subscribe for or purchase Common Shares (or securities convertible into or exchangeable for or carrying a right to purchase Common Shares) at a price per Common Share (or, if a security convertible into or exchangeable for or carrying a right to purchase or subscribe for Common Shares, having a conversion, exchange or exercise price, including the price required to be paid to purchase such convertible or exchangeable security or right per share) less than the Market Price per Common Share on such record date, the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction:
- (i) the numerator of which shall be the number of Common Shares outstanding on such record date, plus the number of Common Shares that the aggregate offering price of the total number of Common Shares so to be offered (and/or the aggregate initial conversion, exchange or exercise price of the convertible or exchangeable securities or rights so to be offered, including the price required to be paid to purchase such convertible or exchangeable securities or rights) would purchase at such Market Price per Common Share; and
 - (ii) the denominator of which shall be the number of Common Shares outstanding on such record date, plus the number of additional Common Shares to be offered for subscription or purchase (or into which the convertible or exchangeable securities or rights so to be offered are initially convertible, exchangeable or exercisable).

In case such subscription price may be paid by delivery of consideration, part or all of which may be in a form other than cash, the value of such consideration shall be as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of Rights. Such adjustment shall be made successively whenever such a record date is fixed, and in the event that such rights, options or warrants are not so issued, or if issued, are not exercised prior to the expiration thereof, the Exercise Price shall be readjusted to the Exercise Price which would then be in effect if such record date had not been fixed, or to the Exercise Price which would be in effect based upon the number of Common Shares (or securities convertible into, or exchangeable or exercisable for Common Shares) actually issued upon the exercise of such rights, options or warrants, as the case may be.

For purposes of this Agreement, the granting of the right to purchase Common Shares (whether from treasury or otherwise) pursuant to a Dividend Reinvestment Plan or any similar plan shall be deemed not to constitute an issue of rights, options or warrants by the Company.

- (c) If the Company at any time after the Record Time and prior to the Separation Time fixes a record date for the making of a distribution to all holders of Common Shares (including any such distribution made in connection with a merger or amalgamation) of evidences of indebtedness, cash (other than an annual cash dividend or a dividend referred to in Section 2.3(a)(i), but including any dividend payable in securities other than Common

Shares), assets or rights, options or warrants (excluding those referred to in Subsection 2.3(b) hereof), the Exercise Price to be in effect after such record date shall be determined by multiplying the Exercise Price in effect immediately prior to such record date by a fraction:

- (i) the numerator of which shall be the Market Price per Common Share on such record date, less the fair market value (as determined in good faith by the Board of Directors, whose determination shall be described in a statement filed with the Rights Agent and shall be binding on the Rights Agent and the holders of Rights), on a per share basis, of the portion of the cash, assets, evidences of indebtedness, rights, options or warrants so to be distributed; and
- (ii) the denominator of which shall be such Market Price per Common Share.

Such adjustments shall be made successively whenever such a record date is fixed, and in the event that such a distribution is not so made, the Exercise Price shall be adjusted to be the Exercise Price which would have been in effect if such record date had not been fixed.

- (d) Notwithstanding anything herein to the contrary, no adjustment in the Exercise Price shall be required unless such adjustment would require an increase or decrease of at least 1% in the Exercise Price; provided, however, that any adjustments which by reason of this Subsection 2.3(d) are not required to be made shall be carried forward and taken into account in any subsequent adjustment. All calculations under Section 2.3 shall be made to the nearest cent or to the nearest ten-thousandth of a share. Notwithstanding the first sentence of this Subsection 2.3(d), any adjustment required by Section 2.3 shall be made no later than the earlier of:
 - (i) three years from the date of the transaction which gives rise to such adjustment; or
 - (ii) the Expiration Date.
- (e) If the Company at any time after the Record Time and prior to the Separation Time issue any shares in its capital (other than Common Shares), or rights, options or warrants to subscribe for or purchase any such shares, or securities convertible into or exchangeable for any such capital stock in a transaction referred to in Clauses 2.3(a)(i) or (iv) above, if the Board of Directors acting in good faith determines that the adjustments contemplated by Subsections 2.3(a), (b) and (c) above in connection with such transaction will not appropriately protect the interests of the holders of Rights, the Board of Directors may determine what other adjustments to the Exercise Price, number of Rights and/or securities purchasable upon exercise of Rights would be appropriate and, notwithstanding Subsections 2.3(a), (b) and (c) above, such adjustments, rather than the adjustments contemplated by Subsections 2.3(a), (b) and (c) above, shall be made. Subject to the prior consent of the holders of the Voting Shares or the Rights as set forth in subsection 5.4(b) or (c), the Company and the Rights Agent shall have authority to amend this Agreement as appropriate to provide for such adjustments.
- (f) Each Right originally issued by the Company subsequent to any adjustment made to the Exercise Price hereunder shall evidence the right to purchase, at the adjusted Exercise Price, the number of Common Shares purchasable from time to time hereunder upon

exercise of a Right immediately prior to such issue, all subject to further adjustment as provided herein.

- (g) Irrespective of any adjustment or change in the Exercise Price or the number of Common Shares issuable upon the exercise of the Rights, the Rights Certificates theretofore and thereafter issued may continue to express the Exercise Price per Common Share and the number of Common Shares which were expressed in the initial Rights Certificates issued hereunder.
- (h) In any case in which this Section 2.3 requires that an adjustment in the Exercise Price be made effective as of a record date for a specified event, the Company may elect to defer until the occurrence of such event the issuance to the holder of any Right exercised after such record date the number of Common Shares and other securities of the Company, if any, issuable upon such exercise over and above the number of Common Shares and other securities of the Company, if any, issuable upon such exercise on the basis of the Exercise Price in effect prior to such adjustment; provided, however, that the Company shall deliver to such holder an appropriate instrument evidencing such holder's right to receive such additional shares (fractional or otherwise) or other securities upon the occurrence of the event requiring such adjustment.
- (i) Notwithstanding anything contained in this Section 2.3 to the contrary, the Company shall be entitled to make such reductions in the Exercise Price, in addition to those adjustments expressly required by this Section 2.3, as and to the extent that in their good faith judgment the Board of Directors shall determine to be advisable, in order that any:
 - (i) consolidation or subdivision of Common Shares;
 - (ii) issuance (wholly or in part for cash) of Common Shares or securities that by their terms are convertible into or exchangeable for Common Shares;
 - (iii) stock dividends; or
 - (iv) issuance of rights, options or warrants referred to in this Section 2.3,

hereafter made by the Company to holders of its Common Shares, shall not be taxable to such shareholders.

2.4 Date on Which Exercise Is Effective

Each Person in whose name any certificate for Common Shares or other securities, if applicable, is issued upon the exercise of Rights shall for all purposes be deemed to have become the holder of record of the Common Shares or other securities, if applicable, represented thereon, and such certificate shall be dated the date upon which the Rights Certificate evidencing such Rights was duly surrendered in accordance with Subsection 2.2(d) (together with a duly completed Election to Exercise) and payment of the Exercise Price for such Rights (and any applicable transfer taxes and other governmental charges payable by the exercising holder hereunder) was made; provided, however, that if the date of such surrender and payment is a date upon which the Common Share transfer books of the Company are closed, such Person shall be deemed to have become the record holder of such shares on, and such certificate shall be dated, the next succeeding Business Day on which the Common Share transfer books of the Company are open.

2.5 Execution, Authentication, Delivery and Dating of Rights Certificates

- (a) The Rights Certificates shall be executed on behalf of the Company by its Chairman of the Board, President or any of its Vice Presidents and by its Secretary under the corporate seal of the Company reproduced thereon. The signature of any of these officers on the Rights Certificates may be manual or facsimile. Rights Certificates bearing the manual or facsimile signatures of individuals who were at any time the proper officers of the Company shall bind the Company, notwithstanding that such individuals or any of them have ceased to hold such offices either before or after the countersignature and delivery of such Rights Certificates.
- (b) Promptly after the Company learns of the Separation Time, the Company will notify the Rights Agent of such Separation Time and will deliver Rights Certificates executed by the Company to the Rights Agent for countersignature, and the Rights Agent shall countersign manually or by facsimile signature (in a manner satisfactory to the Company) and send such Rights Certificates to the holders of the Rights pursuant to Subsection 2.2(c) hereof. No Rights Certificate shall be valid for any purpose until countersigned by the Rights Agent as aforesaid.
- (c) Each Rights Certificate shall be dated the date of countersignature thereof.

2.6 Registration, Transfer and Exchange

- (a) The Company will cause to be kept a register (the “Rights Register”) in which, subject to such reasonable regulations as it may prescribe, the Company will provide for the registration and transfer of Rights. The Rights Agent is hereby appointed registrar for the Rights (the “Rights Registrar”) for the purpose of maintaining the Rights Register for the Company and registering Rights and transfers of Rights as herein provided and the Rights Agent hereby accepts such appointment. In the event that the Rights Agent shall cease to be the Rights Registrar, the Rights Agent will have the right to examine the Rights Register at all reasonable times.

After the Separation Time and prior to the Expiration Time, upon surrender for registration of a transfer or exchange of any Rights Certificate, and subject to the provisions of Subsection 2.6(c), the Company will execute, and the Rights Agent will countersign, register and deliver, in the name of the holder or the designated transferee or transferees, as required pursuant to the holder’s instructions, one or more new Rights Certificates evidencing the same aggregate number of Rights as did the Rights Certificates so surrendered.

- (b) All Rights issued upon any registration of a transfer or exchange of Rights Certificates shall be the valid obligations of the Company, and such Rights shall be entitled to the same benefits under this Agreement as the Rights surrendered upon such registration of transfer or exchange.
- (c) Every Rights Certificate surrendered for registration of a transfer or exchange shall be duly endorsed, or be accompanied by a written instrument of transfer in form satisfactory to the Company or the Rights Agent, as the case may be, duly executed by the holder thereof or such holder’s attorney duly authorized in writing. As a condition to the issuance of any new Rights Certificate under this Section 2.6, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may

be imposed in relation thereto and any other expenses (including the reasonable fees and expenses of the Rights Agent) connected therewith.

2.7 Mutilated, Destroyed, Lost and Stolen Rights Certificates

- (a) If any mutilated Rights Certificate is surrendered to the Rights Agent prior to the Expiration Time, the Company shall execute and the Rights Agent shall countersign register and deliver in exchange therefor a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so surrendered.
- (b) If there shall be delivered to the Company and the Rights Agent prior to the Expiration Time:
 - (i) evidence to their reasonable satisfaction of the destruction, loss or theft of any Rights Certificate; and
 - (ii) such security or indemnity as may be reasonably required by them to save each of them and any of their agents harmless, then, in the absence of notice to the Company or the Rights Agent that such Rights Certificate has been acquired by a *bona fide* purchaser, the Company shall execute and upon the Company request the Rights Agent shall countersign and deliver, in lieu of any such destroyed, lost, or stolen Rights Certificate, a new Rights Certificate evidencing the same number of Rights as did the Rights Certificate so destroyed, lost or stolen.
- (c) As a condition to the issuance of any new Rights Certificate under this Section 2.7, the Company may require the payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in relation thereto and any other expenses (including the reasonable fees and expenses of the Rights Agent) connected therewith.
- (d) Every new Rights Certificate issued pursuant to this Section 2.7 in lieu of any destroyed, lost or stolen Rights Certificate shall evidence the contractual obligation of the Company, whether or not the destroyed, lost or stolen Rights Certificate shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Agreement equally and proportionately with any and all other Rights duly issued hereunder.

2.8 Persons Deemed Owners of Rights

The Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the Person in whose name a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby for all purposes whatsoever. As used in this Agreement, unless the context otherwise requires, the term “holder” of any Rights shall mean the registered holder of such Rights (or, prior to the Separation Time, of the associated Common Share).

2.9 **Delivery and Cancellation of Certificates**

All Rights Certificates surrendered upon exercise or for redemption, registration of transfer or exchange shall, if surrendered to any Person other than the Rights Agent, be delivered to the Rights Agent and, in any case, shall be promptly cancelled by the Rights Agent. The Company may at any time deliver to the Rights Agent for cancellation any Rights Certificates previously countersigned and delivered hereunder which the Company may have acquired in any manner whatsoever, and all Rights Certificates so delivered shall be promptly cancelled by the Rights Agent. No Rights Certificate shall be countersigned in lieu of or in exchange for any Rights Certificates cancelled as provided in this Section 2.9, except as expressly permitted by this Agreement. The Rights Agent shall, subject to applicable laws, destroy all cancelled Rights Certificates and deliver a certificate of destruction to the Company.

2.10 **Agreement of Rights Holders**

Every holder of Rights, by accepting the Rights, consents and agrees with the Company and the Rights Agent and with every other holder of Rights:

- (a) to be bound by and subject to the provisions of this Agreement, as amended from time to time in accordance with the terms hereof, in respect of all Rights held;
- (b) that prior to the Separation Time, each Right will be transferable only together with, and will be transferred by a transfer of, the associated Common Share certificate representing such Right;
- (c) that after the Separation Time, the Rights Certificates will be transferable only on the Rights Register as provided herein;
- (d) that prior to due presentment of a Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) for registration of a transfer, the Company, the Rights Agent and any agent of the Company or the Rights Agent may deem and treat the Person in whose name the Rights Certificate (or, prior to the Separation Time, the associated Common Share certificate) is registered as the absolute owner thereof and of the Rights evidenced thereby (notwithstanding any notations of ownership or writing on such Rights Certificate or the associated Common Share certificate made by anyone other than the Company or the Rights Agent) for all purposes whatsoever, and neither the Company nor the Rights Agent shall be affected by any notice to the contrary;
- (e) that such holder of Rights has waived his right to receive any fractional Rights or any fractional shares or other securities upon exercise of a Right (except as provided herein);
- (f) that, subject to the provisions of Section 5.4, without the approval of any holder of Rights or Voting Shares and upon the sole authority of the Board of Directors, acting in good faith, this Agreement may be supplemented or amended from time to time to cure any ambiguity or to correct or supplement any provision contained herein which may be inconsistent with the intent of this Agreement or is otherwise defective, as provided herein; and
- (g) that notwithstanding anything in this Agreement to the contrary, neither the Company nor the Rights Agent shall have any liability to any holder of a Right to any other Person as a result of its inability to perform any of its obligations under this Agreement by reason of any preliminary or permanent injunction or other order, decree or ruling issued by a court

of competent jurisdiction or by a government, regulatory or administrative agency or commission, or any statute, rule, regulation or executive order promulgated or enacted by any governmental authority, prohibiting or otherwise restraining performance of such obligation.

2.11 Rights Certificate Holder Not Deemed a Shareholder

No holder, as such, of any Rights or Rights Certificate shall be entitled to vote, receive dividends or be deemed for any purpose whatsoever the holder of any Common Share or any other share or security of the Company which may at any time be issuable on the exercise of the Rights represented thereby, nor shall anything contained herein or in any Rights Certificate be construed or deemed or confer upon the holder of any Right or Rights Certificate, as such, any right, title, benefit or privilege of a holder of Common Shares or any other shares or securities of the Company or any right to vote at any meeting of shareholders of the Company whether for the election of directors or otherwise or upon any matter submitted to holders of Common Shares or any other shares of the Company at any meeting thereof, or to give or withhold consent to any action of the Company, or to receive notice of any meeting or other action affecting any holder of Common Shares or any other shares of the Company except as expressly provided herein, or to receive dividends, distributions or subscription rights, or otherwise, until the Right or Rights evidenced by Rights Certificates shall have been duly exercised in accordance with the terms and provisions hereof.

ARTICLE 3 - ADJUSTMENTS TO THE RIGHTS IN THE EVENT OF CERTAIN TRANSACTIONS³

3.1 Flip-In Event

- (a) Subject to Subsection 3.1(b) and Section 5.1, in the event that prior to the Expiration Time a Flip-in Event shall occur, then thereafter, each Right shall constitute, effective at the close of business on the eighth Trading Day after the Stock Acquisition Date, the right to purchase from the Company, upon exercise thereof in accordance with the terms hereof, that number of Common Shares having an aggregate Market Price on the date of consummation or occurrence of such Flip-in Event equal to two times the Exercise Price for an amount in cash equal to the Exercise Price (such right to be appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 in the event that after the consummation or occurrence or event, an event of a type analogous to any of the events described in Section 2.3 shall have occurred).
- (b) Notwithstanding anything in this Agreement to the contrary, upon the occurrence of any Flip-in Event, any Rights that are or were Beneficially owned on or after the earlier of the Separation Time or the Stock Acquisition Date by:
 - (i) an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or with any Affiliate or Associate of an Acquiring Person); or
 - (ii) a transferee of Rights, directly or indirectly, from an Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or with any Affiliate or Associate of an Acquiring Person), where such transferee becomes a transferee concurrently with or subsequent to the Acquiring Person becoming such in a transfer that the Board of Directors has determined is part of a plan, arrangement or scheme of an

Acquiring Person (or any Affiliate or Associate of an Acquiring Person or any Person acting jointly or in concert with an Acquiring Person or with any Associate or Affiliate of an Acquiring Person), that has the purpose or effect of avoiding Clause 3.1(b)(i),

shall become null and void without any further action, and any holder of such Rights (including transferees) shall thereafter have no right to exercise such Rights under any provision of this Agreement and further shall thereafter not have any other rights whatsoever with respect to such Rights, whether under any provision of this Agreement or otherwise.

- (c) From and after the Separation Time, the Company shall do all such acts and things as shall be necessary and within its power to ensure compliance with the provisions of Section 3.1, including without limitation, all such acts and things as may be required to satisfy the requirements of the Corporation Act and the Securities Act, and the applicable securities laws or comparable legislation in each of the provinces and territories of Canada and of the United States and each of the States thereof in respect of the issue of Common Shares upon the exercise of Rights in accordance with this Agreement.
- (d) Any Rights Certificate that represents Rights Beneficially owned by a Person described in either Clause 3.1(b)(i) or (ii) or transferred to any nominee of any such Person, and any Rights Certificate issued upon transfer, exchange, replacement or adjustment of any other Rights Certificate referred to in this sentence, shall contain the following legend:

The Rights represented by this Rights Certificate were issued to a Person who was an Acquiring Person or an Affiliate or an Associate of an Acquiring Person (as such terms are defined in the Shareholder Rights Plan Agreement) or a Person who was acting jointly or in concert with an Acquiring Person or with an Affiliate or Associate of an Acquiring Person. This Rights Certificate and the Rights represented hereby are void or shall become void in the circumstances specified in Subsection 3.1(b) of the Shareholder Rights Plan Agreement.

Provided, however, that the Rights Agent shall not be under any responsibility to ascertain the existence of facts that would require the imposition of such legend but shall impose such legend only if instructed to do so by the Company in writing or if a holder fails to certify upon transfer or exchange in the space provided on the Rights Certificate that such holder is not a Person described in such legend. The issuance of a Rights Certificate without the legend referred to in this Subsection 3.1(d) shall be of no effect on the provisions of Subsection 3.1(b).

ARTICLE 4 - THE RIGHTS AGENT

4.1 General

- (a) The Company hereby appoints the Rights Agent to act as agent for the Company and the holders of the Rights in accordance with the terms and conditions hereof, and the Rights Agent hereby accepts such appointment. The Company may from time to time appoint such co-Rights Agents ("Co-Rights Agents") as it may deem necessary or desirable, subject to the prior approval of the Rights Agent. In the event the Company appoints one or more Co-Rights Agents, the respective duties of the Rights Agent and Co-Rights Agents shall be as the Company may determine with the approval of the Rights Agent and the Co-Rights Agent. The Company also agrees to indemnify the Rights Agent for, and to hold it harmless against, any loss, liability, or expense, incurred without negligence, bad faith or wilful misconduct on the part of the Rights Agent, for anything done or omitted by the Rights Agent in connection with the acceptance and administration of this Agreement, including the costs and expenses of defending against any claim of liability, which right to indemnification will survive the termination of this Agreement.
- (b) The Rights Agent shall be protected and shall incur no liability for or in respect of any action taken, suffered or omitted by it in connection with its administration of this Agreement in reliance upon any certificate for Common Shares, Rights Certificate, certificate for other securities of the Company, instrument of assignment or transfer, power of attorney, endorsement, affidavit, letter, notice, direction, consent, certificate, opinion, statement, or other paper or document believed by it to be genuine and to be signed, executed and, where necessary, verified or acknowledged, by the proper Person or Persons.
- (c) The Company shall inform the Rights Agent in a reasonably timely manner of events which may materially affect the administration of this Agreement by the Rights Agent and, at any time upon request, shall provide to the Rights Agent an incumbency certificate certifying the then current officers of the Company.
- (d) The Company agrees to pay to the Rights Agent reasonable compensation for all services rendered by it hereunder and, from time to time on demand of the Rights Agent, its reasonable expenses and counsel fees and any other disbursements incurred in the administration and execution of this Agreement and the exercise and performance of its duties hereunder.

4.2 Merger, Amalgamation or Consolidation or Change of Name of Rights Agent

- (a) Any corporation into which the Rights Agent may be merged or amalgamated or with which it may be consolidated, or any corporation resulting from any merger, amalgamation, statutory arrangement or consolidation to which the Rights Agent is a party, or any corporation succeeding to the shareholder or stockholder services business of the Rights Agent, will be the successor to the Rights Agent under this Agreement without the execution or filing of any paper or any further act on the part of any of the parties hereto, provided that such corporation is eligible for appointment as a successor Rights Agent under the provisions of Section 4.4 hereof. If at the time such successor Rights Agent succeeds to the agency created by this Agreement any of the Rights Certificates have been countersigned but not delivered, any successor Rights Agent may adopt the countersignature of the predecessor Rights Agent and deliver such Rights

Certificates so countersigned; and in case at that time any of the Rights have not been countersigned, any successor Rights Agent may countersign such Rights Certificates in the name of the predecessor Rights Agent or in the name of the successor Rights Agent; and in all such cases such Rights Certificates will have the full force provided in the Rights Certificates and in this Agreement.

- (b) If at any time the name of the Rights Agent is changed and at such time any of the Rights Certificates have been countersigned but not delivered, the Rights Agent may adopt the countersignature under its prior name and deliver Rights Certificates so countersigned; and if at that time any of the Right Certificates have not been countersigned, the Rights Agent may countersign such Rights Certificates either in its prior name or in its changed name; and in all such cases such Right Certificates will have the full force provided in the Right Certificates and in this Agreement.

4.3 Duties of Rights Agent

The Rights Agent undertakes the duties and obligations imposed by this Agreement upon the following terms and conditions, all of which the Company and the holders of certificates for Common Shares and Rights Certificates, by their acceptance thereof, shall be bound:

- (a) the Rights Agent may consult with legal counsel (who may be legal counsel for the Company) and the opinion of such counsel will be full and complete authorization and protection to the Rights Agent as to any action taken or omitted by it in good faith and in accordance with such opinion;
- (b) whenever in the performance of its duties under this Agreement, the Rights Agent deems it necessary or desirable that any fact or matter be proved or established by the Company prior to taking or suffering any action hereunder, such fact or matter (unless other evidence in respect thereof be herein specifically prescribed) may be deemed to be conclusively proved and established by a certificate signed by a Person believed by the Rights Agent to be the Chairman of the Board, President, any Vice President, Treasurer or Secretary of the Company and delivered to the Rights Agent; and such certificate will be full authorization to the Rights Agent for any action taken or suffered in good faith by it under the provisions of this Agreement in reliance upon such certificate;
- (c) the Rights Agent will be liable hereunder for its own negligence, bad faith or wilful misconduct;
- (d) the Rights Agent will not be liable for or by reason of any of the statements of fact or recitals contained in this Agreement or in the certificates for Common Shares or the Rights Certificates (except its countersignature thereof) or be required to verify the same, but all such statements and recitals are and will be deemed to have been made by the Company only;
- (e) the Rights Agent will not be under any responsibility in respect of the validity of this Agreement or the execution and delivery hereof (except the due authorization, execution and delivery hereof by the Rights Agent) or in respect of the validity or execution of any certificate for a Common Share or Rights Certificate (except its countersignature thereof); nor will it be responsible for any breach by the Company of any covenant or condition contained in this Agreement or in any Rights Certificate; nor will it be responsible for any change in the exerciseability of the Rights (including the Rights becoming void pursuant to Subsection 3.1(b) hereof) or any adjustment required under

the provisions of Section 2.3 hereof or responsible for the manner, method or amount of any such adjustment or the ascertaining of the existence of facts that would require any such adjustment (except with respect to the exercise of Rights after receipt of the certificate contemplated by Section 2.3 describing any such adjustment); nor will it by any act hereunder be deemed to make any representation or warranty as to the authorization of any Common Shares to be issued pursuant to this Agreement or any Rights or as to whether any Common Shares will, when issued, be duly and validly authorized, executed, issued and delivered and fully paid and non-assessable;

- (f) the Company agrees that it will perform, execute, acknowledge and deliver or cause to be performed, executed, acknowledged and delivered all such further and other acts, instruments and assurances as may reasonably be required by the Rights Agent for the carrying out or performing by the Rights Agent of the provisions of this Agreement;
- (g) the Rights Agent is hereby authorized and directed to accept instructions in writing with respect to the performance of its duties hereunder from any individual believed by the Rights Agent to be the Chairman of the Board, President, any Vice President, Treasurer or Secretary of the Company, and to apply to such individuals for advice or instructions in connection with its duties, and it shall not be liable for any action taken or suffered by it in good faith in accordance with instructions of any such individual;
- (h) the Rights Agent and any shareholder or stockholder, director, officer or employee of the Rights Agent may buy, sell or deal in Common Shares, Rights or other securities of the Company or have a pecuniary interest in any transaction in which the Company may be interested, or contract with or lend money to the Company or otherwise act as fully and freely as though it were not the Rights Agent under this Agreement. Nothing herein shall preclude the Rights Agent from acting in any other capacity for the Company or for any other legal entity; and
- (i) the Rights Agent may execute and exercise any of the rights or powers hereby vested in it or perform any duty hereunder either itself or by or through its attorneys or agents, and the Rights Agent will not be answerable or accountable for any act, default, neglect or misconduct of any such attorneys or agents or for any loss to the Company resulting from any such act, default, neglect or misconduct, provided reasonable care was exercised in the selection and continued employment thereof.

4.4 Change of Rights Agent

The Rights Agent may resign and be discharged from its duties under this Agreement upon 60 days' notice (or such lesser notice as is acceptable to the Company) in writing mailed to the Company and to each transfer agent of Common Shares by registered or certified mail. The Company may remove the Rights Agent upon 60 days' notice in writing, mailed to the Rights Agent and to each transfer agent of the Common Shares by registered or certified mail. If the Rights Agent should resign or be removed or otherwise become incapable of acting, the Company will appoint a successor to the Rights Agent. If the Company fails to make such appointment within a period of 60 days after such removal or after it has been notified in writing of such resignation or incapacity by the resigning or incapacitated Rights Agent, then by prior written notice to the Company the resigning Rights Agent or the holder of any Rights (which holder shall, with such notice, submit such holder's Rights Certificate, if any, for inspection by the Company), may apply to any court of competent jurisdiction for the appointment of a new Rights Agent. Any successor Rights Agent, whether appointed by the Company or by such a court, shall be a corporation incorporated under the laws of Canada or a province thereof authorized to carry on the business of a trust company in the Province of British Columbia. After appointment, the successor Rights

Agent will be vested with the same powers, rights, duties and responsibilities as if it had been originally named as Rights Agent without further act or deed; but the predecessor Rights Agent shall deliver and transfer to the successor Rights Agent any property at the time held by it hereunder, and execute and deliver any further assurance, conveyance, act or deed necessary for the purpose. Not later than the effective date of any such appointment, the Company will file notice thereof in writing with the predecessor Rights Agent and each transfer agent of the Common Shares, and mail a notice thereof in writing to the holders of the Rights in accordance with Section 5.9. Failure to give any notice provided for in this Section 4.4, however, or any defect therein, shall not affect the legality or validity of the resignation or removal of the Rights Agent or the appointment of any successor Rights Agent, as the case may be.

ARTICLE 5 - MISCELLANEOUS

5.1 Redemption, Waiver and Extension

- (a) The Board of Directors acting in good faith may waive the application of Section 3.1 in respect of the occurrence of any Flip-in Event if the Board of Directors has determined within eight Trading Days following a Stock Acquisition Date that a Person became an Acquiring Person by inadvertence and without any intention to become, or knowledge that it would become, an Acquiring Person under this Agreement and, in the event that such a waiver is granted by the Board of Directors, such Flip-in Event shall be deemed not to have occurred and the Separation Time shall be deemed not to have occurred as a result of such Person becoming an Acquiring Person. Any such waiver pursuant to this Subsection 5.1(a) must be on the condition that such Person, within 14 days after the foregoing determination by the Board of Directors or such earlier or later date as the Board of Directors may determine (the "Disposition Date"), has reduced its Beneficial ownership of Voting Shares such that the Person is no longer an Acquiring Person. If the Person remains an Acquiring Person at the close of business on the Disposition Date, the Disposition Date shall be deemed to be the date of occurrence of a further Stock Acquisition Date and Section 3.1 shall apply thereto.
- (b) The Board of Directors acting in good faith may, prior to a Flip-in Event having occurred, upon prior written notice delivered to the Rights Agent, determine to waive the application of Section 3.1 to such particular Flip-in Event that would result from a Take Over Bid made by means of a Take Over Bid circular to all holders of Voting Shares (which for greater certainty shall not include the circumstances described in Subsection 5.1(a)), provided that if the Board waives the application of Section 3.1 to a particular Flip-in Event pursuant to this Subsection 5.1(b), the Board shall be deemed to have waived the application of Section 3.1 to any other Flip-in Event occurring by reason of any other Take Over Bid which is made by means of a Take Over Bid circular to all holders of Voting Shares prior to the expiry of any Take Over Bid (as the same may be extended from time to time) in respect of which a waiver is, or is deemed to have been granted under this Subsection 5.1(b).
- (c) In the event that prior to the occurrence of a Flip-in Event a Person acquires, pursuant to a Permitted Bid, a Competing Permitted Bid or an Exempt Acquisition under Subsection 5.1(b), outstanding Voting Shares, other than Voting Shares Beneficially owned at the date of the Permitted Bid, Competing Permitted Bid or Exempt Acquisition under Subsection 5.1(b) by such Person, then the Board of Directors shall, immediately upon the consummation of such acquisition without further formality be deemed to have elected to redeem the Rights at a redemption price of \$0.0001 per Right appropriately adjusted in a manner analogous to the applicable adjustment provided for in Section 2.3 if

an event of the type analogous to any of the events described in Section 2.3 shall have occurred (such redemption price being herein referred to as the “Redemption Price”).

- (d) With the prior approval of the holders of Voting Shares or Rights given in accordance with Section 5.4, the Board of Directors of the Company acting in good faith may, at its option, at any time prior to the provisions of Section 3.1 becoming applicable as a result of the occurrence of a Flip-in Event, elect to redeem all but not less than all of the then outstanding Rights at the Redemption Price appropriately adjusted in a manner analogous to the applicable adjustments provided for in Section 2.3, which adjustments shall only be made in the event that an event of the type analogous to any of the events described in Section 2.3 shall have occurred.
- (e) Where a Take Over Bid that is not a Permitted Bid Acquisition is withdrawn or otherwise terminated after the Separation Time has occurred and prior to the occurrence of a Flip-in Event, the Board of Directors may elect to redeem all the outstanding Rights at the Redemption Price.
- (f) If the Board of Directors is deemed under Subsection 5.1(c) to have elected or elects under Subsections 5.1(d) or (e) to redeem the Rights, then subject to Subsection 5.1(h), the right to exercise the Rights will thereupon, without further action and without notice, terminate and the only right thereafter of the holders of Rights shall be to receive the Redemption Price.
- (g) Within 10 calendar days after the Board of Directors is deemed under Subsection 5.1(c) to have elected or elects under Subsection 5.1(d) or (e) to redeem the Rights, the Company shall give notice of redemption to the holders of the then outstanding Rights by mailing such notice to each such holder at his last address as it appears upon the registry books of the Rights Agent or, prior to the Separation Time, on the registry books of the transfer agent for the Voting Shares. Any notice which is mailed in the manner herein provided shall be deemed given, whether or not the holder receives the notice. Each such notice of redemption will state the method by which the payment of the Redemption Price will be made.
- (h) Upon the Rights being redeemed pursuant to Subsection 5.1(e), all the provisions of this Agreement shall continue to apply as if the Separation Time had not occurred and Rights Certificates representing the number of Rights held by each holder of record of Common Shares as of the Separation Time had not been mailed to each such holder and for all purposes of this Agreement the Separation Time shall be deemed not to have occurred.
- (i) The Company shall give prompt written notice to the Rights Agent of any waiver of the application of Section 3.1 pursuant to this Subsection 5.1.

5.2 Expiration

No Person shall have any rights whatsoever pursuant to this Agreement or in respect of any Right after the Expiration Time, except the Rights Agent as specified in Subsection 4.1(a) of this Agreement.

5.3 Issuance of New Rights Certificates

Notwithstanding any of the provisions of this Agreement or of the Rights to the contrary, the Company may, at its option, issue new Rights Certificates evidencing Rights in such form as may be approved by the Board of Directors to reflect any adjustment or change in the number or kind or class of securities purchasable upon exercise of Rights made in accordance with the provisions of this Agreement.

5.4 Supplements and Amendments

- (a) The Company may make any amendments to this Agreement to correct any clerical or typographical error, or which are required to maintain the validity of the Agreement as a result of any change in any applicable legislation or regulations or rules thereunder, or at the request of a stock exchange on which the Common Shares are traded from time to time. Notwithstanding anything in this Section 5.4 to the contrary, no amendment shall be made to the provisions of Article 4 except with the written concurrence of the Rights Agent to such supplement or amendment.
- (b) Subject to Subsection 5.4(a), the Company may, with the prior consent of the holders of Voting Shares obtained as set forth below, at any time before the Separation Time, amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). Such consent shall be deemed to have been given if provided by the holders of Voting Shares at a Special Meeting, called and held in compliance with applicable laws and regulatory requirements and the requirements in the articles and by-laws of the Company. Subject to compliance with any requirements imposed by the foregoing, consent shall be given if the proposed amendment, variation or rescission is approved by the affirmative vote of a majority of the votes cast by all holders of Voting Shares (other than any holder of Voting Shares who is an Offeror pursuant to a Take Over Bid that is not a Permitted Bid, a Competing Permitted Bid or an Exempt Acquisition, with respect to all Voting Shares Beneficially owned by such Person), represented in person or by proxy at the Special Meeting.
- (c) The Company may, with the prior consent of the holders of Rights obtained as set forth below, at any time after the Separation Time and before the Expiration Time, amend, vary or rescind any of the provisions of this Agreement and the Rights (whether or not such action would materially adversely affect the interests of the holders of Rights generally). Such consent shall be deemed to have been given if provided by the holders of Rights at a Rights Holders' Special Meeting called and held in compliance with applicable laws and regulatory requirements and, to the extent possible, with the requirements in the articles and by-laws of the Company applicable to meetings of holders of Voting Shares, applied *mutatis mutandis*. Subject to compliance with any requirements imposed by the foregoing, consent shall be given if the proposed amendment, variation or rescission is approved by the affirmative vote of a majority of the votes cast by holders of Rights (other than holders of Rights whose Rights have become null and void pursuant to Subsection 3.1(b)), represented in person or by proxy at the Rights Holders' Special Meeting.
- (d) Any approval of the holders of Rights shall be deemed to have been given if the action requiring such approval is authorized by the affirmative votes of the holders of Rights present or represented at and entitled to be voted at a meeting of the holders of Rights and representing a majority of the votes cast in respect thereof. For the purposes hereof, each

outstanding Right (other than Rights which are void pursuant to the provisions hereof) shall be entitled to one vote, and the procedures for the calling, holding and conduct of the meeting shall be those, as nearly as may be, which are provided in the Company's articles and by-laws and the Corporation Act with respect to the meetings of shareholders of the Company.

- (e) Any amendments made by the Company to this Agreement pursuant to Subsection 5.4(a) which are required to maintain the validity of this Agreement as a result of any change in any applicable legislation or regulations or rules thereunder, or are made at the request of a stock exchange on which the Common Shares are traded from time to time, shall:
 - (i) if made before the Separation Time, be submitted to the shareholders of the Company at the next meeting of shareholders and the shareholders may, by the majority referred to in Subsection 5.4(b), confirm or reject such amendment; or
 - (ii) if made after the Separation Time, be submitted to the holders of Rights at a meeting to be called for on a date not later than immediately following the next meeting of shareholders of the Company and the holders of Rights may, by resolution passed by the majority referred to in Subsection 5.4(d) confirm or reject such amendment.

Any such amendment shall be effective from the date of the resolution of the Board of Directors adopting such amendment, until it is confirmed or rejected or until it ceases to be effective (as described in the next sentence) and, where such amendment is confirmed, it continues in effect in the form so confirmed. If such amendment is rejected by the shareholders or the holders of Rights or is not submitted to the shareholders or holders of Rights as required, then such amendment shall cease to be effective from and after the termination of the meeting at which it was rejected or to which it should have been but was not submitted or from and after the date of the meeting of holders of Rights that should have been but was not held, and no subsequent resolution of the Board of Directors to amend this Agreement to substantially the same effect shall be effective until confirmed by the shareholders or holders of Rights as the case may be.

5.5 Fractional Rights and Fractional Shares

- (a) The Company shall not be required to issue fractions of Rights or to distribute Rights Certificates which evidence fractional Rights and the Company shall not be required to pay any amount to a holder of record of Rights Certificates in lieu of such fractional Rights.
- (b) The Company shall not be required to issue fractions of Common Shares upon exercise of Rights or to distribute certificates which evidence fractional Common Shares and the Company shall not be required to pay any amount in lieu of such fractional Common Shares.

5.6 Rights of Action

Subject to the terms of this Agreement, all rights of action in respect of this Agreement, other than rights of action vested solely in the Rights Agent, are vested in the respective holders of the Rights. Any holder of Rights, without the consent of the Rights Agent or of the holder of any other Rights, may, on such holder's own behalf and for such holder's own benefit and the benefit of other holders of Rights, enforce, and may institute and maintain any suit, action or proceeding against the Company to enforce

such holder's right to exercise such holder's Rights or Rights to which such holder is entitled in the manner provided in such holder's Rights Certificate and in this Agreement. Without limiting the foregoing or any remedies available to the holders of Rights, it is specifically acknowledged that the holder of Rights would not have an adequate remedy at law for any breach of this Agreement and will be entitled to specific performance of the obligations under, and injunctive relief against actual or threatened violations of the obligations of any Person subject to, this Agreement.

5.7 Regulatory Approvals

Any obligation of the Company or action or event contemplated by this Agreement or any amendments thereto shall be subject to the receipt of any requisite approval or consent from any governmental or regulatory authority, and without limiting the generality of the foregoing, necessary approvals of any stock exchange shall be obtained, such as to the issuance of Common Shares upon the exercise of Rights under Subsection 2.2(d).

5.8 Declaration as to Non-Canadian Holders

If in the opinion of the Board of Directors (who may rely upon the advice of counsel) any action or event contemplated by this Agreement would require compliance by the Company with the securities laws or comparable legislation of a jurisdiction outside Canada, the Board of Directors acting in good faith shall take such actions as it may deem appropriate to ensure such compliance. In no event shall the Company or the Rights Agent be required to issue or deliver Rights or securities issuable on exercise of Rights to persons who are citizens, residents or nationals of any jurisdiction other than Canada, in which such issue or delivery would be unlawful without registration of the relevant Persons or securities for such purposes.

5.9 Notices

- (a) Notices or demands authorized or required by this Agreement to be given or made by the Rights Agent or by the holder of any Rights to or on the Company shall be sufficiently given or made if delivered, sent by registered or certified mail, postage prepaid (until another address is filed in writing with the Rights Agent), or sent by facsimile or other form of recorded electronic communication, charges prepaid and confirmed in writing, as follows:

Any notice which is mailed or sent in the manner herein provided shall be deemed given, whether or not the holder receives the notice.

Each of the Company and the Rights Agent may from time to time change its address for notice by notice to the other given in the manner aforesaid.

5.10 Costs of Enforcement

The Company agrees that if the Company fails to fulfil any of its obligations pursuant to this Agreement, then the Company will reimburse the holder of any Rights for the costs and expenses (including legal fees) incurred by such holder to enforce his rights pursuant to any Rights or this Agreement.

5.11 Successors

All the covenants and provisions of this Agreement by or for the benefit of the Company or the Rights Agent shall bind and enure to the benefit of their respective successors and assigns hereunder.

5.12 Benefits of this Agreement

Nothing in this Agreement shall be construed to give to any Person other than the Company, the Rights Agent and the holders of the Rights any legal or equitable right, remedy or claim under this Agreement; further, this Agreement shall be for the sole and exclusive benefit of the Company, the Rights Agent and the holders of the Rights.

5.13 Governing Law

This Agreement and each Right issued hereunder shall be deemed to be a contract made under the laws of the Province of British Columbia and for all purposes shall be governed by and construed in accordance with the laws of such Province applicable to contracts to be made and performed entirely within such Province.

5.14 Severability

If any term or provision hereof or the application thereof to any circumstance shall, in any jurisdiction and to any extent, be invalid or unenforceable, such term or provision shall be ineffective only as to such jurisdiction and to the extent of such invalidity or unenforceability in such jurisdiction without invalidating or rendering unenforceable or ineffective the remaining terms and provisions hereof in such jurisdiction or the application of such term or provision in any other jurisdiction or to circumstances other than those as to which it is specifically held invalid or unenforceable.

5.14 Effective Date

This Agreement is effective and in full force and effect in accordance with its terms from and after the Effective Date.

5.16 Determinations and Actions by the Board of Directors

Upon the advice of outside legal counsel, the Board of Directors of the Company shall have the exclusive power and authority to administer this Agreement and to exercise all rights and powers specifically granted to the Board of Directors of the Company as may be necessary or advisable in the administration of this Agreement, including, without limitation, the right and power to, make all determinations deemed necessary or advisable for the administration of this Agreement. All such actions, calculations and determinations (including all omissions with respect to the foregoing) which are done or made by the Board, in good faith, shall not subject the Board or any director of the Company to any liability to the holders of the Rights.

5.17 Confirmation

The Company shall request the confirmation of this Agreement at a general meeting of holders of Voting Shares to be held within six months of the date of this Agreement. If the Agreement is not confirmed at such meeting by a majority of votes cast by holders of Voting Shares who vote in respect of the confirmation of this Agreement, this Agreement and all outstanding Rights shall terminate and be void and of no further force and effect on and from the close of business on the date of termination of such meeting; provided that termination shall not occur if a Flip-in Event has occurred (other than a Flip-in Event which has been waived pursuant to Section 5.1(a) or (b) hereof) prior to the date upon which this Agreement would otherwise terminate pursuant to this Section 5.17.

5.18 Time of the Essence

Time shall be of the essence in this Agreement.

5.19 Execution in Counterparts

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, and all such counterparts shall together constitute one and the same instrument.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be duly executed as of the date first above written.
